

PROFILE

Despite my academic background in Physics, my unwavering dedication has been directed towards mastering the realm of web development. Through immersive training, I have cultivated proficiency across a diverse spectrum of technologies such as React.js, Node.js, Express.js, Firebase, Tailwind CSS, and Bootstrap. My practical experience is underscored by the successful completion of various web projects, where I have showcased adeptness in tasks such as Firebase authentication, hosting, and MongoDB database management.

SKILLS

- React Js
- Tailwind CSS
- Node Js
- Express Js
- Firebase Authentication
- Firebase Hosting
- MongoDB
- JsonWebToken
- Material UI
- Daisy UI
- Bootstrap
- Vue Js
- Vercel Deployment

PROJECTS

Career Hub
